Scottish Canals

Transit and Short Term Visitor Licences

All fees include VAT, overnight berthing at visitor moorings, the licence fee for the Waterway and use of the sea locks unless otherwise indicated. For information and bookings contact the local Waterway office. We accept payment by credit or debit card, or cash if applying in person.

Transit licences, per metre				
Canal	Outward Journey	Return Journey	Nights	Hours
Caledonian	£20.65	£16.35	7	192
Crinan	£12.50	£9.70	4	120
Lowlands	£15.50	£12.30	10	240
Additional day or part day, all waterways*	£1.50	£1.50	1	24

*Limited to 3 additional days on the Forth & Clyde and Caledonian Canals. Thereafter must upgrade to a minimum of a two week licence.

Fixed period licences per metre				
Scottish Canals	60 days*	30 days	2 weeks	Overnight Haven
All waterways	£55.70	£43.20	£31.30	£4.15 £2.35 Crinan
Additional days			£1.50	£1.50

*Subject to BSS compliance

Explorer licences, per metre		
All waterways	30 days	16 days
	£61.60	£50.10

Prices include VAT at 20% which may be subject to change by Government.

A widebeam surcharge of 10% may be applied April – Sept for vessels whose beam exceeds half their LOA

A maximum of two 30 day licences or equivalent duration of visitor licences may be purchased for any specific vessel in a single calendar year.

Explorer Licences give you access at any time within twelve months of issue date. We provide you with a daily ticket table, which you date and display for each day that your boat is on our waters or moorings, excluding lochs. Explorer Licences are for vessels visiting from non-Scottish Canal waterways, entering a canal by sea, other inland navigations or kept on land.

Commercial Itineraries

Vessels visiting the Caledonian Canal as part of a commercial itinerary, eg hotel boats that include the canal as part of their advertised programme, will be subject to a 50% surcharge on the licence fees above.

Day Rate for Trailer Boats

(Lowland Canals only)

Access to our waterways is welcomed from day visitors accessing from Scottish Canal owned slipways. The fee of £12.50 is payable at our local offices and it includes use of our slipways. If for any reason you are unable to exit from the waterway you will be charged an

additional £10.00 for use of an overnight mooring and an additional £12.50 fee for the following day.

The Falkirk Wheel

Use of the Wheel is free to all private pleasure boat licence holders. It is best to book your passage time ahead.

Visitor mooring information

Scottish Canals visitor moorings are free of charge and available for short term use only – a maximum of 24 hours on the Lowland canals. Visitor moorings are available subject to the advertised mooring site restrictions.

Visitor moorings at Seaport Marina, Inverness are available free of charge for the first night (One free night per licence) and £10.00 per night thereafter. Short Term licence holders are reminded that Bellanoch pontoons, on the Crinan Canal, are reserved for long term berth holders and must not be used by visiting craft.

Insurance

Your vessel must have insurance that covers at least one million pounds third party liabilities. Proof of this must be provided on arrival.

Boat Safety

Your boat should comply with our safety requirements at all times unless it is a very simple vessel.

Check to see whether it is exempt by tracing through the questions on the chart below.

You don't need a Boat Safety examination for a Transit, two week, 30 day or Explorer licence, however, we have the right to refuse access onto our waterways for any boat that we think may present a safety risk to other waterway users. In purchasing a short term licence you agree to allow our employees or an appointed surveyor to carry out a safety check at any reasonable time. If we believe your boat is dangerous, you will have to remove it from the waterway.

To qualify for a 60 day licence your boat must have one of the following:

- A current certificate to show compliance with the Boat Safety Scheme requirements
- A current Declaration of Conformity with the EU's Recreational Craft Directive

Personal Safety

The Waterways that you use can be hazardous places.

The safety of our users and people is very important to us and we do our best to make the system as safe as possible. Due to their historic character, it is impossible for us to adapt them to make them completely safe without ruining what we seek to conserve. As a result, there are inherent risks for those that use them. Please ensure that there is always sufficient competent crew to minimise risks to your own and other people's safety.

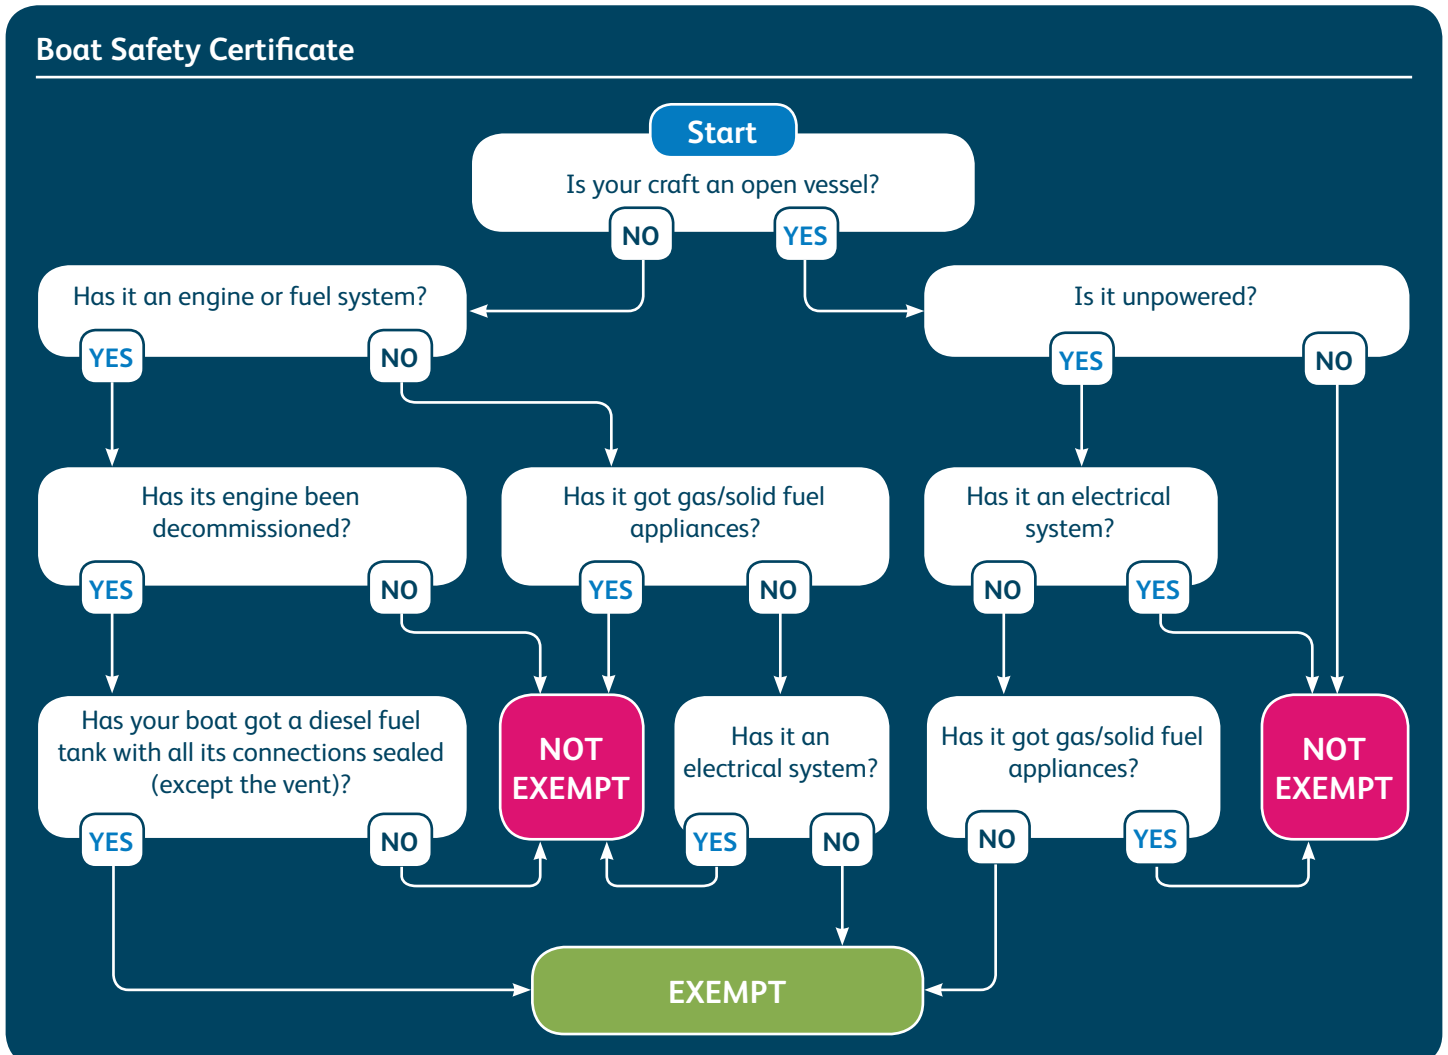

Buy a copy of our Skipper's Guide, free to download from www.scottishcanals.co.uk and check for local information about the Waterways you plan to use.

Waterway Facilities

We provide a range of basic services for boaters, including water points, refuse disposal, toilets, and showers throughout the waterway network. Elsan emptying points are available on the Lowlands and Caledonian Canals. These are generally free to licence holders. Access to sanitary facilities is by special Yale key on the Caledonian and Lowland Canals, available from sea locks and waterway offices (£10.00 deposit on the Lowland Canals and free of charge if returned on exiting the Caledonian Canal). On the Crinan Canal access is via key code supplied at the sea lock.

Payment for other facilities is by digital card or cash depending on the location. Customers must bring their own hoses to use the water points.

Our local waterway offices will be able to assist you with enquiries about waterway facilities.

Navigation Rules

- 1 The Boat Licence does not give you any priority of passage on any Waterway. You must follow the directions of our local people who may decide which boats have priority.
- 2 You are responsible for assessing whether it is safe to use the Waterway in flood or strong stream conditions. Our Waterway offices will provide information.
- 3 You must share locks up to their capacity. There is no right to the exclusive use of a lock.
- 4 You must not:
 - (a) use any electricity generator, including the Boat's engine, at any Scottish Canals' mooring between 8pm and 7am, unless you are moored in isolation, out of earshot of other people. We do not intend this Condition to stop you moving the Boat from the mooring.
 - (b) run the Boat's engine in gear when it is moored as this can damage the waterway walls and cause a nuisance to other people.
 - (c) do anything at any mooring which will cause damage or nuisance to any other person or their property.
 - (d) discharge anything into the Waterway from the Boat except unpolluted surface water that drains naturally or water from sinks or showers on board the Boat.
 - (e) obstruct the towpath or use our land for storing items from your Boat.
 - (f) take a vehicle onto our towpaths or land or park on them unless we have already given our permission.
- 5 There is no general restriction on the use of locks by portable and unpowered craft. However, in the interest of safety and to conserve water, specific local restrictions may apply. We encourage users to carry these craft around locks if possible. If it is not possible, we recommend using ropes to pass the Boat through the lock. It is preferable that there is nobody on board the Boat while it is in the lock. Local Scottish Canals instructions must always be followed.
- 6 Unpowered craft may not navigate certain tunnels. Please check locally for advice or ask us for the national list of tunnels. Where you are permitted to navigate, we encourage the following precautions:
 - (a) navigate in groups of between three and six craft, at least one of which must be navigated by an experienced person.
 - (b) everyone should be able to swim, should wear a life jacket, and have a waterproof torch and whistle attached to them.
 - (c) the craft must have adequate buoyancy.
 - (d) you must display a securely fixed, bright white light showing forward.
- 7 You must not crane a Boat into or out of any Waterway without our written permission, other than at a boatyard with appropriate facilities. This is to ensure compliance with the relevant lifting regulations and to ensure the safety of other waterway users.

Summary of Conditions

- 1 You must ensure that when the Boat is under way, there is always an adequate and competent crew in attendance. A copy of our Skipper's Guide should be kept on board the Boat and drawn to the attention of all crew members and passengers.
- 2 You must display the licence so that it is easily visible by our people on the bank or at locks.
- 3 The licence is not refundable and not transferable between craft.
- 4 The licence does not permit use of the Boat for carrying goods, or as a tug or other workboat or for any business purpose without our permission.
- 5 The licence does not allow you to moor except for short periods ancillary to cruising. You must have somewhere to keep the Boat when it is not being used for cruising.
- 6 You agree to comply with navigation rules, relevant Acts, Byelaws and regulations, and to follow any of our lawful directions, spoken or written (including signs).
- 7 You agree to be responsible for any damage or difficulty caused by you or the Boat because of anything you have carelessly done or not done.
- 8 Once the licence has ended, unless you re-license the Boat you must remove it from our waters. If you do not, we have powers to remove it ourselves and to charge you for the costs we incur in doing this.
- 9 Waterways are occasionally closed for repairs or due to emergencies. We will not rebate licence fees in respect of such closures.
- 10 The licence does not allow you to tow the Boat by animal or vehicle. You need our written permission to do this

For a full set of General Licence Conditions, please ask for a copy of the Boating on Scotland's Canals Licences and Moorings booklet.
